LEGAL ADVICE

Deputy Clerks and employees of the 65B District Court cannot give legal advice. They are not attorneys and cannot advise you on legal issues. They may provide general information regarding court operations and procedures. They can provide you, at your request, any blank form the court has in stock at a small fee.

When you ask:

“What form do I use?”

“How do I fill out this form?”

“What part of the law applies in my case?”

“What does this mean?”

These all seem like simple questions, but in fact they are legal questions asking for legal guidance. Legal questions should be referred to your attorney. The State Bar of Michigan offers a lawyer referral service. The phone number is 517-482-8816. The website is www.michbar.org
