RE: Monthly Warning Siren Testing

Greetings,

Below is the schedule for Gratiot County Weather Siren Testing 2026. The following dates at 1:00pm on the first Saturday of the month Gratiot County Central Dispatch will test the weather sirens in Gratiot County.

Wednesday-March 18th, 2026, at 1:00pm Statewide Tornado Drill
Saturday April 4th, 2026, 1:00pm
Saturday May 2nd, 2026 @ 1:00pm
Saturday June 6th, 2026, 1:00pm
Saturday July 4th, 2026, 1:00pm
Saturday August 1st, 2026, 1:00pm
Saturday September 5th, 2026, 1:00pm
Saturday October 3rd, 2026 @ 1:00pm

If severe weather is predictable or happening during time of testing it will be cancelled for the month as to not cause unwarranted public fear.
