PROPOSAL

Proposal 22-1

A proposal to amend the state constitution to require annual public financial disclosure reports by legislators and other state officers and change state legislator term limit to 12 total years in legislature

This proposed constitutional amendment would:

- Require members of legislature, governor, lieutenant governor, secretary of state, and attorney general file annual public financial disclosure reports after 2023, including assets, liabilities, income sources, future employment agreements, gifts, travel reimbursements, and positions held in organizations except religious, social, and political organizations.
 - Require legislature implement but not limit or restrict reporting requirements.
- Replace current term limits for state representatives and state senators with a 12-year total limit in any combination between house and senate, except a person elected to senate in 2022 may be elected the number of times allowed when that person became a candidate.

Should this proposal be adopted?

CITY OF ALMA PROPOSAL

City of Alma Millage Proposition

Shall the limitation on the amount of taxes which may be assessed against all property in the City of Alma, County of Gratiot, State of Michigan, be increased by 3.5 mills (\$3.50 on each \$1,000.00) on state taxable value for a period of six years, 2023 through 2028, inclusive, for the rehabilitation, repair and maintenance of public streets and ancillary public infrastructure within the corporate limits of the City of Alma? The amount of revenue the City of Alma will collect if this millage is approved and levied by the City in the first year is estimated to be \$644,000. This proposal is for a new additional millage, due to the expiration of the millage for rehabilitation, repair and maintenance of public streets and ancillary public infrastructure previously passed by the voters of the City of Alma in 2016. The revenue generated from this millage, if the proposal is passed, will be disbursed to the City of Alma.

The debt millage rate required to pay the debt service on the School District's outstanding and proposed bonds is expected to remain at or below 7.83 mills. The estimated millage to be levied in 2023 to service this issue of bonds is 1.44 mills (\$1.44 per \$1,000 of taxable value) and the estimated simple average annual millage rate required to retire the bonds of this issue is 5.05 mills (\$5.05 per \$1,000 of taxable value). The bonds may be issued in one or more series, payable in the case of each series in not to exceed 22 years from the date of issue of such series.

The School District currently has \$12,215,000 of qualified bonds outstanding and \$ 0 qualified loans outstanding under the State School Bond Qualification and Loan Program. The School District expects to borrow from the Program to pay a portion of debt service on the proposed bonds. The estimated total principal amount of borrowing is \$752,104 and the estimated total interest thereon is \$189,900. The estimated duration of the millage levy associated with that borrowing is 9 years and the estimated computed millage rate for such levy is 7.83. The millage rate may change based on changes in circumstances.

(Under State law, bond proceeds may not be used to pay teacher or administrator salaries, routine maintenance or repair costs or other School District operating expenses.)

St Johns Operating Millage Proposal

ST. JOHNS PUBLIC SCHOOLS OPERATING MILLAGE PROPOSAL

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in St. Johns Public Schools, Clinton and Gratiot Counties, Michigan, be renewed by 18.1562 mills (\$18.1562 on each \$1,000 of taxable valuation) for a period of 10 years, 2024 to 2033, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 10 years, 2024 to 2033, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2024 is approximately \$2,925,295 (this is a renewal of millage that will expire with the 2023 levy and the addition of millage which will be levied only to the extent necessary to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?
