# Proposal Text

## STATE PROPOSAL -- PROPOSAL 15-1

PROPOSAL 15-1 A proposal to amend the State Constitution to increase the sales/use tax from 6% to 7% to replace and supplement reduced revenue to the School Aid Fund and local units of government caused by the elimination of the sales/use tax on gasoline and diesel fuel for vehicles operating on public roads, and to give effect to laws that provide additional money for roads and other transportation purposes by increasing the gas tax and vehicle registration fees. The proposed constitutional amendment would: • Eliminate sales / use taxes on gasoline / diesel fuel for vehicles on public roads. • Increase portion of use tax dedicated to School Aid Fund (SAF). • Expand use of SAF to community colleges and career / technical education, and prohibit use for 4-year colleges / universities. • Give effect to laws, including those that: o Increase sales / use tax to 7%, as authorized by constitutional amendment. o Increase gasoline / diesel fuel tax and adjust annually for inflation, increase vehicle registration fees, and dedicate revenue for roads and other transportation purposes. o Expand competitive bidding and warranties for road projects. o Increase earned income tax credit. Should this proposal be adopted?

This is a renewal of a previous millage. The estimated amount of revenue that will be collected in the first year that the millage is authorized and levied is $65,000.

## Fulton Schools Operating Millage Renewal Proposal -- Operating Millage Renewal Proposal

OPERATING MILLAGE RENEWAL PROPOSAL This proposal will allow the school district to continue to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance. Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Fulton Schools, Gratiot and Clinton Counties, Michigan, be increased by 18 mills ($18.00 on each $1,000 of taxable valuation) for a period of 3 years, 2010, 2011 and 2012, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2010 is approximately $392,200 (this is a renewal of millage which expired with the 2009 tax levy)?

## Carson City-Crystal Area Schools Bonding Proposal -- Carson City-Crystal Area Schools Bonding Proposal

BONDING PROPOSAL Shall Carson City-Crystal Area Schools, Montcalm, Gratiot, Ionia and Clinton Counties, Michigan, borrow the sum of not to exceed One Million Thirty Thousand Dollars ($1,030,000) and issue its general obligation unlimited tax bonds therefor, for the purpose of: partially remodeling, furnishing and refurnishing, equipping and re-equipping school facilities, in part, for energy conservation improvements; and acquiring, installing and equipping educational technology for school facilities? The following is for informational purposes only: The estimated millage that will be levied for the proposed bonds in 2010, under current law, is 2.07 mills ($2.07 on each $1,000 of taxable valuation) for a -0- net increase in debt millage. The maximum number of years the bonds may be outstanding, exclusive of any refunding, is two (2) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 2.09 mills ($2.09 on each $1,000 of taxable valuation). If the school district borrows from the State to pay debt service on the bonds, the school district may be required to continue to levy mills beyond the term of the bonds to repay the State. (Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

# Proposal Text

## Hamilton Township -- Fire Protection and Rescue Service Millage

Shall Hamilton Township enact a millage rate of 0.75 mills ($0.75 per $1,000.00 of taxable value) in the tax limitation imposed under Article IX, Section 6 of the Michigan Constitution and levy it for three years, 2017, 2018, and 2019 inclusive, for fire protection and rescue services? The estimated amount of revenue that will be collected in the first year that the millage is authorized and levied is $18,303.

## Hamilton Township -- Roads and Bridges Millage

Shall Hamilton Township enact a millage rate of 3 mills ($3.00 per $1,000.00 of taxable value) in the tax limitation imposed under Article IX, Section 6 of the Michigan Constitution and levy it for three years, 2017, 2018, and 2019 inclusive, for the purpose of constructing, maintaining (including dust control), repairing and replacing streets, roads and bridges within the township? The estimated amount of revenue that will be collected in the first year that the millage is authorized and levied is $73,213.

## City of Alma -- Renewal Millage Proposition

Shall the limitation on the amount of taxes which may be assessed against all property in the City of Alma, County of Gratiot, State of Michigan, be increased by 2.5 mills ($2.50 on each $1,000.00) on state taxable value for a period of six years, 2017 through 2022, inclusive, for the rehabilitation, repair and maintenance of public streets and ancillary public infrastructure within the corporate limits of the City of Alma?

## Ashley Community Schools -- Bonding Proposal

Shall Ashley Community Schools, Gratiot and Saginaw Counties, Michigan, borrow the sum of not to exceed Two Million Two Hundred Forty

Thousand Dollars ($2,240,000) and issue its general obligation unlimited tax bonds therefor for the purpose of remodeling the school building; purchasing school buses; and developing and improving the site? The following is for informational purposes only: The estimated millage that will be levied for the proposed bonds in 2017, under current law is 1.40 mills ($1.40 on each $1,000 of taxable valuation). The maximum number of years the bonds may be outstanding, exclusive of any refunding, is eighteen (18) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 3.11 mills ($3.11 on each $1,000 of taxable valuation). The school district expects to borrow from the State School Bond Qualification and Loan Program to pay debt service on these bonds. The estimated total principal amount of that borrowing is $669,818 and the estimated total interest to be paid thereon is $1,663,689. The estimated duration of the millage levy associated with that borrowing is 24 years and the estimated computed millage rate for such levy is 8.40 mills. The estimated computed millage rate may change based on changes in certain circumstances. The total amount of qualified bonds currently outstanding is $3,390,000. The total amount of qualified loans currently outstanding is approximately $1,131,306. (Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

## Carson City-Crystal Area Schools -- Operating Millage Renewal Proposal

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance and renews millage that will expire with the 2016 tax levy. Shall the currently authorized millage rate limitation of 18 mills ($18.00 on each $1,000 of taxable valuation) on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Carson City-Crystal Area Schools, Montcalm, Gratiot, Ionia and Clinton Counties, Michigan, be renewed for a period of 5 years, 2017 to 2021, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2017 is approximately $1,103,112 (this is a renewal of millage that will expire with the 2016 tax levy)?

## Saint Louis Public Schools -- Operating Millage Renewal Proposal

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance and renews millage that will expire with the 2016 tax levy. Shall the currently authorized millage rate limitation of 18 mills ($18.00 on each $1,000 of taxable valuation) on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Saint Louis Public Schools, Gratiot, Midland and Isabella Counties, Michigan, be renewed for a period of 8 years, 2017 to 2024, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2017 is approximately $962,867 (this is a renewal of millage that will expire with the 2016 tax levy)?

2. Require Local Community Stabilization Authority to provide revenue to local governments dedicated for local purposes, including police safety, fire protection, and ambulance emergency services.
3. Increase portion of state use tax dedicated for aid to local school districts.
4. Prohibit Authority from increasing taxes.
5. Prohibit total use tax rate from exceeding existing constitutional 6% limitation.
Should this law be approved?

## Senior Citizen -- Services

SENIOR CITIZENS SERVICES RENEWAL MILLAGE PROPOSAL For the sole purpose of continuing funding necessary to maintain and expand services for senior citizens in Gratiot County, shall the previously voted increase on the Constitutional limitation upon the total amount of taxes which may be assessed in one (1) year upon all property within the County of Gratiot, Michigan, be continued and renewed at up to 0.6500 mill ($0.65 per $1,000 of taxable value) for a period of four (4) years, 2014 through 2017, inclusive? If approved and levied in full, this millage will raise an estimated $811,139 for providing funds to maintain and expand services for senior citizens in Gratiot County in the first calendar year of the levy based on taxable value. As required by State law, a portion of the millage may be captured by the Downtown Development Authority of the City of St. Louis; and the Brownfield Redevelopment Authorities of Gratiot County, the Cities of Alma and St. Louis, the Village of Ashley, and the Township of Elba.

If approved, this 0.5-mills increase will raise an estimated $627,000 in the first calendar year of the levy based on taxable value. Funds will be distributed among the libraries pursuant to contract. As required by State law, a portion of the millage may be captured by the Downtown Development Authority of the City of St. Louis; and the Brownfield Redevelopment Authorities of Gratiot County, the Cities of Alma and St. Louis, the Village of Ashley, and the Township of Elba.

A LEGISLATIVE INITIATIVE TO ESTABLISH MANDATORY SCHOOL FUNDING LEVELS

* Require State to fund any deficiencies from General Fund.

* Base funding for school districts with a declining enrollment on three-year student enrollment average.

# Proposal Text

## Emergency 9-1-1 Operating Surcharge --

Shall Gratiot County be authorized to assess a monthly surcharge of up to $2.89 per month within the geographic boundaries of Gratiot County on all telephone devices that can access the Gratiot County, Michigan 9-1-1 System? The surcharge would run from January 1, 2011 to December 31, 2014, unless repealed by statute. The surcharge shall be used exclusively to finance, upgrade radio communications, facilities and operating cost of the Gratiot County 911/Central Dispatch Authority. It is expected that the surcharge could bring up to $1,109,760 the first year. The $2.89 per month surcharge was approved by Gratiot County voters in August 2006 with respect to landline telephones, however amendments in the law superseded that vote, by including “all telephone devices” into the language, necessitating this election.

## Senior Citizen Millage Renewal --

Shall the County of Gratiot renew the levy up to .65 mill ($0.65 per $1000.00 of the State Taxable Value) on real and personal property for a period of four (4) years from 2010 through 2013 for the purpose of providing funds necessary to maintain and expand services for senior citizens in Gratiot County, which will raise in the first year of such levy an estimated $601,707?

## Elba Twp. Bridge and Road --

Elba Township Bridge and Road Construction and Maintenance Millage Proposition: Shall Elba Township impose an increase of up to one mill ($1.00 per $1,000 of taxable value) in the tax limitation imposed under Article IX, Sec. 6 of the Michigan Constitution and levy it for 15 years, 2010 through 2024 inclusive, for the purpose of constructing, maintaining, repairing and replacing streets, roads and bridges within the township, which 1.00 mill increase will raise an estimated $31,800.00 in the first year the millage is levied?

## New Haven Twp Emergency Rescue/Fire --

Shall the expired previous voted increase in the tax limitations imposed under Article IX, Sec. 6 of the Michigan Constitution in New Haven Township, of 1 mill ($1 per $1000 of taxable value), reduced to 1 mill by the required millage rollbacks, be increased to and renewed at up to the original voted 1 mill ($1 per $1,000 of taxable value) and levied for the period of 4 years, 2011 through 2014 inclusive, for emergency rescue/fire protection services, raising an estimated $36,549 in the first year the millage is levied?

## North Star Road Improvements --

Shall North Star Township impose a millage rate of 1.5 mills ($1.50 per $1,000.00 of taxable value) in the tax limitation imposed under Article IX, Section 6 of the Michigan Constitution and levy it for 4 years, 2010-2013 inclusive, for the purpose of defraying expenses for road resurfacing and dust layer applications and thereby raising an estimated $42,525 in the first year the millage is levied?

## Washington Twp Extra Voted Millage --

Shall Washington Township, Gratiot County, Michigan impose an increase of up to one mill ($1.00 per $1,000 of taxable value) in the tax limitation imposed under article IX Section 6 of the Michigan Constitution and levy it for 5 years, 2010 through 2014 inclusive, for the purpose of road and bridge repair and construction, which one mill will raise an estimated $22,200 in the first year?

## Wheeler Twp Proposal --

Shall the Township of Wheeler including the Village of Breckenridge impose an increase of up to 1 mill ($1.00 per $1,000 of taxable value) in the tax limitation imposed under Article IX, Section 6 of the Michigan Constitution and levy it for 10 years, 2010 through 2019 inclusive, for the purpose of supporting the Breckenridge/Wheeler Fire/Rescue Department daily operational expenses? This new millage will raise an estimated $63,847 in the first year it is levied.

## Alma Public Schools Bonding Proposal -- Percentage of Voters Is Not Accurately Reflected for Schools

Shall Alma Public Schools, Gratiot, Montcalm and Isabella Counties, Michigan, borrow the sum of not to exceed Nine Million Seven Hundred Fifteen Thousand Dollars ($9,715,000) and issue its general obligation unlimited tax bonds therefor, for the purpose of: erecting, furnishing and

equipping an addition to, and remodeling, re-furnishing and re-equipping the high school; acquiring and installing educational technology at the high school; and developing and improving athletic facilities and the site? The following is for informational purposes only: The estimated millage that will be levied for the proposed bonds in 2010, under current law, is -0- mills ($0.00 on each $1,000 of taxable valuation). The maximum number of years the bonds may be outstanding, exclusive of any refunding, is seventeen (17) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.66 mills ($1.66 on each $1,000 of taxable valuation). If the school district borrows from the State to pay debt service on the bonds, the school district may be required to continue to levy mills beyond the term of the bonds to repay the State. (Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

## Ithaca Public Schools Bonding Proposal -- Percentage of Voters is Not Accurately Reflected for Schools

Shall Ithaca Public Schools, Gratiot and Montcalm Counties, Michigan, borrow the sum of not to exceed Three Million Four Hundred Eighty Thousand Dollars ($3,480,000) and issue its general obligation unlimited tax bonds therefor, for the purpose of: partially remodeling, furnishing and refurnishing, equipping and re-equipping school facilities, in part, for energy conservation improvements and roof replacement; and acquiring, installing and equipping educational technology for the junior/senior high school? The following is for informational purposes only: The estimated millage that will be levied for the proposed bonds in 2010, under current law, is 1.25 mills ($1.25 on each $1,000 of taxable valuation). The maximum number of years the bonds may be outstanding, exclusive of any refunding, is eleven (11) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.70 mills ($1.70 on each $1,000 of taxable valuation). If the school district borrows from the State to pay debt service on the bonds, the school district may be required to continue to levy mills beyond the term of the bonds to repay the State. (Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

## Sumner Township Hall and Community Center Millage Renewal -- Operation and maintenance of Township Hall and Community Center

Shall the expired previous voted increases in the tax limitations imposed under Article IX, Sec.6 of the Michigan Constitution in Sumner Township, of .50 mills ($.50 per $1,000 of taxable value), reduced to .4769 mills ($.47 per $1,000 of taxable value) by the required millage rollbacks, be renewed at and increased up to the original voted .50 mills ($.50 per $1,000 of taxable value) and levied for 5 years, 2009 through 2013 inclusive, for the operation and maintenance of the Sumner Township Hall and Community Center, raising as estimated $16,568.63 in the first year the millage is levied?

## Newark Township Millage Proposal -- Medical, fire, road, and bridge

Shall Newark Township impose an increase of up to 1.5 mills ($1.50 per $1,000 of taxable value) in the tax limitation imposed under Article IX, Sec. 6 of the Michigan Constitution and levy it for 10 years, 2008 through 2017, inclusive, to provide medical first responders, fire protection, and road and bridge maintenance, which 1.5-mills increase will raise and estimated $26,076.00 in 2008, the year the millage is levied?

# Lafayette Township Road Millage Renewal -- Expenses of road, bridge maintenance and construction

Shall the expired previous voted increases in the tax limitations imposed under Article IX, Sec. 6 of the Michigan Constitution in Lafayette Township, of 2.50 mills ($2.50 per $1,000 of taxable value), reduced to 2.4355 mills ($2.43 per $1,000 of taxable value) by the required millage rollbacks, be renewed at and increased up to the original voted 2.50 mills ($2.50 per $1,000 of taxable value) and levied for 3 years, 2009 through 2011 inclusive, for defraying expenses of road, bridge maintenance and construction, raising as estimated $68,160.00 in the first year the millage is levied?

# Fire and Rescue Extra Voted Millage -- Fire protection and rescue services

Shall North Star Township impose a millage rate of 1.5 mills ($1.50 per $1,000.00 of taxable value) in the tax limitation imposed under Article IX, Sec. 6 of the Michigan Constitution and levy it for three years, 2009-2011 inclusive, for the purpose of defraying expenses for fire protection and rescue services, thereby raising an estimated $34,500.00 in the first year the millage is levied?

# Road Millage Renewal -- Township roads

# Ithaca Public Schools Operating Millage Proposal -- School district use of millage to provide funds for operating expenses

This proposal will allow the school district to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance. Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Ithaca Public Schools, Gratiot and Montcalm Counties, Michigan, be increased by 18 mills ($18.00 on each $1,000 of taxable valuation) for a period of 4 years, 2008 to 2011, inclusive, to provide funds for operating purposes (17.7520 mills of the above is a renewal of millage which expired with the 2007 tax levy and .2480 mills is a restoration of millage lost as a result of the reduction required by the Michigan Constitution of 1963); the estimate of the revenue the school district will collect if the millage is approved and levied in 2008 is approximately $777,495?
